INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation* v. *The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees* v. *The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees* v. *The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than $1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determing the eligbility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records(filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Parkersburg, West Virginia.

Madam:-

Replying to your letter of September 10, 1907, you are advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, and we cannot state at this time whether or not you are entitled to share in this fund, or the amount each successful claimant will receive.

As there are over 40,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be notified.

Very respectfully,

Special Commissioner.

Part of my father's people were enrolled, but that was back so far I can't remember. I don't know why my father was never enrolled. My father was recognized as a white man, with Indian blood in him. App. #13858.

January 29, 1907.

Hallo Brown,

Oconaluftee, Swain Co., N.C.

Madam:-

You have on file in this office application #13858 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, James Rodman, a Cherokee, who was the son of Joseph and Susan Rodman.

I beg to advise that the name of Rodman does not appear upon the roll of 1835 or 1851. Was your father a full-blood Cherokee Indian, or was he part Indian and part White, or part Indian and part Negro? Was he or any of his ancestors ever held as a slave by the Cherokee Indians? Do you know of any reason why he was not enrolled in 1851?

Your prompt reply will be appreciated.

Respectfully,

Special Commissioner.

Dear Sir;- In regard to the above application and in answer to your letter to China Johnson in regard to same will say that, to my own knowledge I do not know whether my parents or grandparents were enrolled in I835 and I85I or not but suppose they were. I suppose my parents were living in this county in I85I and the first that she remembers about being enrolled was in I873 in the Indian Territory when they went to the Territory and as she says proved her (her fathers) claim and had their names enrolled and they lived in Murray County Georgia in I870, I882, I893 and [illegible] and I lived in the Indian Territory in I900 but the rest of my family or rather the remainder of applicants family lived in Murray Co. Georgia in I900. The applicant was the recognised child of Bryson Howell. My enrolledment would appear as China Howell in I873, and as China Nelson in I895, and as China Johnson(my last husband Howell in) I900.
I first enrolled in my maiden name as China [illegible] Howell, as given above and next in my first husbands name as China Nelson and last time as China Johnson, my last husbands name.
My sister, Mrs. Margaret Kirby, was first enrolled as Margaret Howell in I873 and next as Margaret Kirby, her husbands name, in I895 ans she has not been enrolled since.

My father, Bryson Howell, and all of us children, were always recognized as Eastern Cheerokee Indians and we children have always been taught to believe that we were Cheerokee Indians.

Dear Sir.

Your letter of January 29th is before me. Nora Rotherlin and Fayette, her husband. are people who work for us, and in whom we take an interest. I have known her for two or three years, but know nothing of her claim except what she and some reputable citizens have told me. Her home and that of her family relatives has been at Whittier for many years. You have made a mistake in one of the names. Nora's fathers name was Massey, not Matthews, as you say in your letter. Mr Belva Lockwood made out her application herself - I spent an evening with her at Murphy, N.C.

Now, while Nora is claiming only through her mother, and grand father and grand mother on mothers side (William Gibbs and Ellen Battles) - Dr Wells - one of the very first citizens of all this County - who has

lived at Waynesville, and practiced medicine through all that County, tells me that he has always understood Nora's father - Massey - also had Indian blood.

Why their names have never been on the roll, I am sure I cannot tell you: but I will investigate as rapidly as I can. How long a time may I have, and what proof do you wish for, to substantiate her claim? I feel confident myself that that she is as worthy a claimant as you have. My action in the matter is purely philanthropic, with no compensation whatever.

Respectfully
Margaret S. Leozal.

P.S. As to my own standing, I think Mrs Lockwood will tell you that she was satisfied when in this County.

Madam:-

Your letter of February 5th received, relative to the claim of Nora Ellen Rochester, in which you state that the said Nora Ellen Rochester works for you and that you will investigate as soon as possible her Indian ancestors, in order to aid is in tracing her connection with the roll. I notice you have not answered the questions asked in the former letter—that is, as to whether or not the said Nora Ellen Rochester's parents were Indians and Whites or Indians and Negroes. Please inform this office whether her parents were at any time owned by Cherokee Indians or by White people, and just what degree of blood relationship they bore to Cherokee Indians.

The name as given for the mother of Nora Rochester in her application is Sarah Jane Massey, and the name as given by us was simply an error in writing the last name.

Who was Nora Rochester's father--that is, was William Massey a White man or a Negro?

An early reply will be appreciated.

That I am about 53 years of age and live in Bradley Co., Tenn. I claim my Indian descent through my mother and her father, grand Neddie Bryant. I think my mother was raised there too. I don't know that my mother ever lived among the Indians. Don't know that she or her father were ever on any roll. I am recognized as a white woman in the community in which I live, so was my mother. My husband is a white man. Neddie Bryant was my great grandfather instead of grandfather. Don't know when he died. My mother died about 8 or 9 years ago. Don't know my mother's father's name. I have never been enrolled that I know of. About 14 years ago I made application in Dalton, Ga. for lands in the Territory but never got anything

Nancy Mitchell,

Dowell,

Madam:-

Replying to your letter of August 13, 1907, you are advised that Robert B. Mitchell and Cora M. Barnett do not appear to have filed any applications in this office, unless they have been forwarded to this office within the last week and have not yet been reached in indexing.

You are further advised that the applications for participation in the Eastern Cherokee fund have not been taken up for final consideration, as the Court in its order of April 29, 1907, extended the time for the filing of applications to August 31, 1907, and until the applications are all filed it will be impossible to give final consideration to any of them, or to state how much each successful claimant will receive.

As there are already over 34,000 applications on file and the claimants are widely scattered through the United States it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

Minnie Hooks,

Springplace, Ga.

Madam:-

You have on file in this office application #13877 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state you were born January 13,1844 in South Carolina, and that you claim by right of descent from Robert Randolph, a Quarter blood Cherokee Indian, and through your mother, whose name was Martha McGhaha.

I beg to advise that the name of Randolph or McGhaha does not appear upon the roll of 1851 or 1835; nor does your name appear upon the roll of 1835 or 1851. Please inform this office why your ancestors were not enrolled in 1835 and 1851, and why you were not enrolled on the 1835 and 1851 roll. Also state to what race other than Indian you belong—that is, were your people Indians and Whites or Indians and Negroes? Were any of your people, or were you, ever held as a slave by the Cherokee Indians?

Respectfully,

LBD/AIL

Special Commissioner.

Madam:-

Replying to your letter of June 27, 1907, you are advised that the reason Belva A. Lockwood's name is entered on our records as your attorney, is that the following note appears in your application:

"I hereby appoint Belva A. Lockwood my lawful attorney to act in my place and agree to pay her ten per cent".

If Belva A. Lockwood is not your attorney that is a matter you will have to adjust with her.

Very respectfully,

Sir:-

Replying to your letter of January 8, 1908, relative to the application of Mrs. Mary F. Bagley, for participation in the Eastern Cherokee fund, you are advised that this application has not been reached for final consideration and we cannot state at the present time whether she is entitled to share in this fund, or when the money will be distributed.

When this office has completed the examination of the applications, grouped them into families, compared them with the rolls of the Indian Office, and in many cases where the applications and other proof are insufficient, taken testimony in the field, the roll will be submitted to the Court of Claims for its approval, when time will be allowed for the filing of exceptions. If many exceptions should be filed a further investigation may have to be made, and until the Court has disposed of these exceptions and the final roll has been approved by the Court no money can be distributed. This will necessarily take considerable time, as there are over 44,000 applications on file in this office.

Joseph Burton Sherrill,

Sylva, Jackson Co.,N.C.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokee Indians, you are advised that it appears from your application that you claim to be of Eastern Cherokee descent through your mother, Mary Hyatt Sherrill, daughter of Elisha and Rosanna Hyatt, and through Elisha Hyatt back through Ned (or Edward) and Hannah Hyatt, and through Edward and Elizabeth Leatherwood to Betsy (or Elizabeth) Walker.

It further appears from your application that your mother was living in 1851. Will you please state why she was not enrolled with the Eastern Cherokee Indians at that time? It also appears that your mother and your grandparents were living in 1835, but it does not seem that they were enrolled with the Eastern Cherokees in 1835. Please state why your mother and her parents were not enrolled with the Eastern Cherokees at that time. Was your grandmother, Rosanna Hyatt a white woman or a negress? Was your mother held as a slave, and, if so, did she belong to a white man or a Cherokee Indian? Were you ever held as a slave, and, if so, did you belong to a Cherokee Indian?

I claim my Indian descent through my father and his father. I have an uncle who raised me and his name is Andrew Ross. He and my grandfather Gentry went down to Ft. Smith to enroll me in 1851. They were drunk and enrolled me under the name of my sister, Mary Ann. She was dead at that time. Andrew had a son named George and a daughter named Hannah. He had a son named Benjamin. He also had a daughter named Margaret and a son named Jesse T. Under Andrew Ross drew a little over $200.00 for me in 1851. I had an aunt Hannah, my father's sister. I also had an aunt Caroline, and an uncle named Frank Ross. Don't know whether Frank was living in 1851 or not. My uncle Andy Ross told me of having enrolled me. I have received Old Settler money at Ft. Gibson about 12 or 14 years ago. I got a little over a hundred dollars ($100.00). Never received any after that. My number by the Dawes Commission is 29364. I am 45 years of age; was born in Tennessee. I claim Cherokee Indian blood through my mother. My mother was born in Cumberland Gap, Tenn. I am not a Cherokee alotee. I never wont to try for an allotment. My mother drew Cherokee money. Do not know if it was Immigrant or Old Settler money. My mother came to the Territory from Tennessee in 1866. I have heard of my Indian blood all my life. My mother never received any Indian money while living in Tennessee. I think my mother lived in Kentucky ten years before the war. I never saw my grandparents on my mother's side.

March 20, 1907.

Mr. Henry Stephens,

Homer, Banks County,

Georgia.

Sir:-

Replying to your letter of March 14, 1907, you are advised that your application for participation in the Eastern Cherokee fund has been received and filed in this Office.

You are further advised that under the terms of the decree of the Court of Claims, as it now stands, your children would not be entitled to enrollment, and therefor it is at present unnecessary for them to file applications. In the event that the decree should be modified in this particular you will be duly notified.

Very respectfully,

Chief Clerk.

Henry Stevens,

Sir:-

You have on file in this office application #13905 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father, Lloyd Brown, who was the son of Stephen and Cordelia Brown.

I beg to advise that I cannot find the names of your grandparents on the roll of 1851; nor can I find the name of your father on said roll. Was your father ever held as a slave by the Cherokee Indians or White people? Were your grandparents ever held as slaves by the Cherokee Indians?

Respectfully,

P. K. Knox, - being duly sworn, deposes and says:

My name is P. K. Knox. I am 54 years old. I have lived in Georgia the biggest part of my life. I came from Alabama. My children and sister have filed applications. My wife and I both have Indian blood. I claim 1/4 Cherokee Indian blood. I learned that from my mother about 30 years ago. I never got any money from the Government. I do not know why we were not enrolled except that we were slaves. I was a slave. My mother was a slave. I claim through my mother, Minervia Knox. Her first owner was Knox and then gave her to his daughter. She applied but she never got the money. I don't know whether my mother lived with the Indians, but she visited them. I have heard them talk about the treaties of 1835. Both sides were recognized as colored people and were slaves.

Madam:-

You have on file in this office application #13909 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you were born in Habersham Co., Georgia in 1845, and that you claim your Indian blood through your mother, Polly Whittler.

I beg to advise that the name of Polly Whittler does not appear upon the roll of 1851, nor does your name appear on said roll.

Please inform this office whether you were ever owned as a slave by the Cherokee Indians or by White people. Was your mother ever held as a slave by the Cherokee Indians or by White people?

Respectfully,

Special Commissioner.

Tom Cordery being first duly sworn in behalf of John W. Hampton, deposes and says:

Applicant's mother was named Nancy Cordery and she married Washington Miller. Nancy's father was Dave Cordery. He died in 1835 in the old country. Lottie Miller was the name of Nancy's mother. I think Nancy lived with a man named Poor Ned before she lived with Wash Miller. The mother of John W. Hampton was the sister of my father, Wilson Cordery. Wilson (See G. S. 397). Before she married she lived with my father. ~~She after married~~ Nancy married after 1851. I have always understood that she was an Emigrant. She came here to this country with my father. Nancy was a sister of Andrew Cordrey. His wife's name was Polly and they had a son named Lovely. (G. S. 395). She also had a brother Sebe and he lived in Sequoyah (S. B. 119). She had a brother named Thomas and he lived in Illinois District (See Ill. 285)

John T. Hampton, being first duly sworn, do ones and says:

I am about 48 years Old; my mother gets her Indian blood , I do not know thru which parent she claims. I do not know the date of birth of my mother; I do not know when my mother came to the I. T. I think she came with her father; y mother died about 1886. She was about 50 or 55 when she died; She was first married to a man by the name of Miller; I think the name of her husband was Andy Miller; I do not know for sure; I have two half brothers, Noah Miller and Martin Miller : Noah miller lives at Limer, Okla and Martin lives at Hulbert, Okla. Mary Bean, my half sister lives at Hulbert, Okla. also. My mother had some children also by the name of Warren and Sallie: They are dead:

Wilson Cordery was my Uncle and he had some children by his first wife named Lew and Thomas. His second wife was named Nancy; I do not know Martha, Lucinda, Ellen Miller; I know William and Rufus. They were the first Cousins of my half sister (See C. S. 398)

I understand the my mothers parents came out here and that my grandfather went back to the east and died in Georgia; My grandfathers name il do not know; I have not full brothers or sisters; I am on the roll of 1880; I received the Strip Payment; I was enrolled by the Dawes Commission, # 4753; My wife is a white woman;

My mothers brothers and sisters were Wilson, Sebe and Andy Cordery:, Charlotte who married a man by the name of Whitekiller; I was a large boy when my mother died. I lived with her up to the time of her death; Then I lived with my half brothers: I used to visit Wilson and Sebe Cordery and they recognized me as their nephew: I have heard my uncles tell about coming out here to the I. T. At the time of the C. S. Payment in 1896, I never received any money at that time. I was born and have always lived in the Cherokee nation; My mother always lived within the Cherokee Nation from the time I can recollect: Wilson and Sebe Cordery have always admitted to me that my mother was their sister; My sister Mary Bean is enrolled by the Dawes Commission; My mother younger than Wilson and Sebe Cordery; There was never any talk about my mother ~~being the~~ not being the full sister of Wilson and Sebe Cordery; I never have had any relatives by the names of Aleck: I never heard my mother say anything about getting any money in 1851: I know that I have Asked my uncle about it and he said that he was an Emigrant. I asked him about the Old Settler business and he said that we were Emigrant Cherokees: It seems to me that William and Rufus Miller's father was called Alfred. My mothers first husband was a full brother of Alfred Miller: My cousin Tom Cordery lives about five miles from Muskogee, and that is his P. O. now.

Court understand why this Claimants mother isn't on 51 roll. Rather believe she was a white woman. But on its face appears Claimant looks like a white man

Willie C. J. Warren, being duly sworn, deposes and says:

I am 61 years old.

My name is Wille C. J. Warren now. I have been living here about 22 years. I lived in Delaware District before coming here. I was married to Colston and moved to Delaware District. My son claims through his father. I also lived in Missouri. I attempted to be enrolled but was rejected. His father was Richard Colstom. His Indian name Teel-too-ta-ke. My son was enrolled by the Dawes Commission, Cherokee Roll #28389. My son got the strip money . His father lived in Delaware District. We went from Delawareinto this District. He has been dead about 16 years. He got bread money. He did not know his exact age but he was about 35. He was enrolled but he died and I drew the bread money and the strip money. He was not living ib 1851. He got his blood from his father and I think from his mother too. His father I think was Harry Colston. He had a half-brother Lewis. There was a Jim Colston, a brother; also John. I don't think he had any other brothers. He had half-sisters: Nellie Cramp, and Ceily Colston, and Broom// Charlie Colston and Wilson Colston said they were his cousins. My husband's mother's name I think was Betsey Colston. I was told that the Old set of Colston was Daniel, William, and Jim, and Ellick. They were said to be cousins. They never joined any other tribe that I know of. They lived about Gibson or Tahlequah. I think some of these were Old Settlers. I don't know which side were Old Settlers. I don't know the year they they came from the Eastern States. I don't know whether any of them were parties to the treaties of 1835-6 and 1846. Some of them were supposed to be Emigrants.

Louis R. E. Colston,

Catoosa, Okla.

Sir:-

You have on file in this office application #13848 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim by right of your father, Richard Colston, and your mother, Willie C. J. West, stating that your mother is alive. Has she filed an application for this fund? If so, under what name has she filed, and what is the number of her application?

I beg to advise that I cannot find the name of your father, Richard Colston, on the Emigrant Roll of 1851; nor can I find the names of your grandparents, Harry and Elizabeth Colston, on said roll.

Are you positive that your father was an Emigrant Cherokee? If so, in what district was he enrolled, and with what family?

Respectfully,

Special Commissioner.

App. No. 13954

Rufus H. Brown being first duly sworn in behalf of Charles H. Rogers, deposes and says:

I know Charles H. Rogers. His postoffice is Ramona or Skiatook. I think he is about 25 years old. I think he was enrolled by the Dawes Commission and got land. I know his mother, Jane Rogers. I think she was an Old Settler, but I am not certain of this. I don't know whether she got Old Settler money or not. Jane had a brother named Will. She also had a sister who married a Lasley, but I don't know her first name. She had a brother named Levi. (O. S. Flint 33). I know Charlie Rogers, the father of applicant. He is dead. He was quite an old man at the time of his death. ~~Bill Rogers, the present chief and son of Charlie Rogers, said that their father was an Old Settler.~~ I was talking to Bill Rogers and asked him about this Emigrant money. He replied that he had paid no attention to it and wasn't interested in it. He didn't tell me, however, that he was an Old Settler. This W. C. Rogers or Bill Rogers is about 60 years of age. One of W. C. Rogers' brothers was Frank. He was older than Bill, I think. There was another named "Chicken". He was just a half brother. Old Charlie Rogers was married to some woman before he married Jane Harlan. (Saline 7, O. S.)

Hon. Commissioner of Indian Affairs,

Washington, D. C.

Sir:

I have the honor to acknowledge the receipt of your office letter of Jan. 18th, 1911, Land Allotment 3600-1911 M. B. S. enclosing a communication from Charles H. Rogers of Tulsa, Okla. dated Jan. 11th, 1911 relative to his claim for participation in the Eastern Cherokee judgment fund. You state that this party's Dawes Commission No. is 12281 and that his number on the Eastern Cherokee roll is 22823. In reply, permit me to say that I have written Mr. Rogers very fully in regard to this case and also explained to him when in Oklahoma during the payment that he was not the one enrolled as No. 22823 on the Eastern Cherokee roll and that the Dawes Commission number put after roll No. 22823 which is 12281 was put there through mistake and that the correct Dawes Commission number for the party enrolled was 17544, another Charles H. Rogers of the same age. The application number of the Charles H. Rogers who writes this letter is 13954 and not 16872. Although I fully explained this to him when in Oklahoma, on my return to Washington I wrote him again asking for the name of his parents so as to make sure that there could be no mistake and received from him a letter giving the name of his parents fully confirming the fact that his application was No. 13954, and further fully

confirming the fact that he is properly classed as an Old Settler Cherokee and that his claim was properly rejected for that reason. The Charles H. Rogers that is enrolled you will note lives at Claremore, Okla. This Charles H. Rogers writes from Tulsa, but filed his application from Ramona, Okla. This Rogers in his letter says that his brothers received their payment but his application fails to name any brothers whatever. Both parents of this Charles H. Rigers were enrolled as Old Settlers in 1851. I would add that from an examination of the signature to the letter enclosed in your communication it is perfectly certain that he is the same party who filed application No. 13954. The signatures are characteristic and identical.

The only mistake made in this case was the confusion of the Dawes Commission numbers.

Very respectfully,

Special Commissioner.

App. #13959.

December 27, 1909.

Mrs. Etta Odle,

Everett,

Washington,

Madam:

Replying to your letter of December 18, 1909, you are advised that it is impossible for me, at this time, to state when the Eastern Cherokee fund will be distributed.

The exceptions filed to my report will be taken up for final disposition by the Court on January 10, 1910, and until the roll is finally approved by the Court no money can be paid.

The amount each enrolled person will receive cannot be determined until the final roll has been approved and the exact number enrolled ascertained. However, it will probably not amount to over $130.

It will not be necessary for you to give Power of Attorney to some one in Oklahoma to collect your share of the fund, as the money will be sent direct to your place of residence, probably to some bank, where you may obtain the same on proper identification.

Very respectfully,

Special Commissioner.

REMARKS.

(Under this head the applicant may give any additional information that he believes will assist in proving his claims.)

I made appliuation in November 1906 to share in the Eastern Cherokee payment, and did not know at the time that I had a right to claim for the relatives named in this application. They were all living in 1851, and were on the Cherokee roll, - and have all died since that time leaving no decendants therefore I believe I am entitled to claim a share in their money, and desire that this ~~application be filed with my former application which is made~~ out more fully, giving all my ancestors which I am told is not necessary in this ~~application where some of my kinsmen have been overlooked~~

NOTE.—Answers should be brief but explicit; the words "Yes," "No," "Unknown," etc., may be used in cases where applicable. Read the questions carefully.

I solemnly swear that the foregoing statements made by me are true to the best of my knowledge and belief.

My name is Esther Hall. My age is 54 years. I was born and raised in Sequoyah District. I got the bread and strip money. I was also enrolled by the Dawes Commission, Cherokee Roll #3117. I have never associated with any other tribe of Indians than the Cherokees. I get my blood from both parents. Lucinda Pheasant was my mother, and has been dead about 54 years. She lived in Sequoyah District. I don't know where she was born. I don't know my mother's mother's English name. My mother was Lucinda Ross in 1851. She lived in Sequoyah District. I do not know any one here who can tell my grandparents names on my mother's side. My mother had a sister Betsey Pheasant. My cousin said that Yecca Pheasant was some relation, and that we had Cherokee blood. Emmet Starr filled out my application. My cousin was with me when Emmet Starr filled out the application. She was about 10 years older than I am. Redbird Pheasant was my uncle, a brother to my mother. Crane Pheasant was also my mother's brother, and Betsey and Chi-na-nee,-or Che-ah-nuh-nah, were sisters. (S. B. 136). I think Cuh-yoo-cha- is an uncle according to Mr. Starr's statement. My father's name was Ellink Ross. My father was an Old Settler. I drew Old Settler money through my father. I did not draw Old Settler money through my mother. My cousin tried to draw Old Settler money but did not succeed. (Claimant doed not know very much about her ancestry. The information in the appligation was furnished by a cousin, Mary Jackson, and Mr. Emmet Starr.) Elsie Chambers was my sisterinlaw. Dick Gillan is my son-in-law.

App. #13969.

February 17,1908.

Sarah Edwards,

Fletcher, Okla.,R.F.D. #1.

Madam:-

You have on file in this office application #13969 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your grandmother on your father's side. You state that your father's name was William J. Cathey, and then give as the names of your grandparents, George and Polly Cathey, stating that your grandmother's maiden name was Polly Mackey.

I beg to advise that the names you have furnished us in this application do not appear upon the roll of 1851. Please inform this office whether your grandparents were born in the West, and give the dates of their birth. Also state who was your full-blood Indian ancestor. Is there any Negro blood in your family, and were your people ever held as slaves by the Cherokee Indians or by White people?

Respectfully,

Special Commissioner.

WASHINGTON, D. C.

Sarah Edwards,
Fletcher, Okla.
R. F. D. #2

May 1, 1907.

SIR:

In the matter of the enrollment of the Eastern Cherokees for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, of May 28, 1906, the Court of Claims on April 29, 1907, entered a further order directing the distribution of this fund *per capita*.

Under this order all Eastern Cherokees by blood, who were living on May 28, 1906, who can prove that they are descended from Eastern Cherokee Indians, parties to the Treaty of 1835-6 and 1846, will be entitled to enrollment. Minor children are to be enrolled with their parents.

You have already filed application No. 13969 for your own share of this fund, but it does not show whether you have any minor children. If you had any minor children living on May 28, 1906, you should fill out the inclosed Supplemental Application, and together with two witnesses acknowledge the same before a Notary Public or other proper officer, and should mail said application to this Office immediately.

If you have already filed a separate application for your minor children you need not file this supplemental application.

Do not fail to put your own application number on the supplemental application.

If you have children of age who have not filed applications, they should apply at once to this Office for an application blank, which will be forwarded without charge.

You should address all letters on this subject to the Special Commissioner of the Court of Claims, 601 Ouray Building, Washington, D. C.

Very respectfully,

GUION MILLER,
Special Commissioner.

Louisa James,

Midland, Ark.

Madam:-

You have on file in this office application #13976 for a share of the money appropriated for the Eastern Cherokee Indians, in which you state that you claim through your father and mother, your father's name being Nathan Goins and your mother's name Louisa Goins; also stating that Louisa Goins was your mother's maiden name, as she and your father were cousins. You give as your grandparents on your father's side John and Nancy Goins.

I beg to advise that the names as you have given them d o not appear upon the roll of 1851, nor can I find any family by the name of Goins on the 1851 roll who formerly resided in Tennessee. Were your p rents full-blood Indians? If not, to what race other than Indian did they belong? Were your people ever held as slaves by Indians or White people?

Respectfully,

Special Commissioner.

John Baldwin being first duly sworn deposes and says:

I am 70 years of age, and was born in Ashe County, N.C. And moved to Virginia when I was three years old, in Grayson County, and have lived in Ashe County since 1861. I have always been taught that I had Cherokee Indian ancestors. I claim my Indian blood through my grandmother on my ~~mother's~~ father's side. He was William D. Baldwin, and his mother was a Hart. My father lived in Grayson County, Va. He was a very old man when he died. I never heard that he ever received any money from the Government on account of his Indian blood. It was unanimously talked through the settlement and in the family that he had Indian blood. I went to Tahlequah and proved my Indian blood. This was years before the Dawes Commission, when I claimed and proved my Indian blood in the Indian Territory. ~~They~~ The Dawes Commission turned my claim down. I have stayed in Indian Territory several months, but I have never lived with the Indians out there. My father, William D. Baldwin, also proved up out there. My grandmother on my father's side was Catharine Hart. My recollection is that she was the daughter of James Hart. I never heard of but one Hart family. I think Ned Hart and James Hart were related. They lived in Ashe County, and some of the family in Grayson County. Catharine Hart, I think, was the daughter of Ned Sizemore. Elisha Blevins gave me the information contained in my application. I have known him all of my life until his death. I do not recollect that he ever told me where Ned Sizemore came from or where he died. He said I favored old Ned Sizemore, and called me "Ned" many a time. I never heard him say whether Ned Sizemore had a beard or not. I have seen James Hart many a time. He looked like an Indian, and he, as well as all the Hart family, were regarded as Indians. I have seen Ned Hart hundreds of times. I do not remember when I last saw him. When I was a young man he was getting to be a pretty old man. He resembled an Indian very much. My grandmother, father and I were considered White people, but when people got mad with us, they would throw up the Indian. I did not mind it, because my father and mother taught me that I was part Indian.

John Baldwin being first duly sworn deposes and says:

I appeared before you Saturday, at Grassy Creek, N.C., and gave testimony in support of my claim to participate in the Eastern Cherokee Judgment Fund. After going home and stydying I saw that a very material matter was left off that I did not state. I now come before you to prove up my Indian blood ~~xx xxxxxxxxxxx~~, and to state that long before the Dawes Commission (It was six, eight or ten years) I went to the Indian Territory for the purpose of proving my right as a Cherokee Indian and for citizenship in the Nation. Chief Harris, who is still alive, told me that if I would come back in the Fall that he would citizenize me. I, thereupon proved up my case by a man who was sent from here as a Cherokee that he know Ned Sizemore well, and I got the Notary's seal, and, later on, filed it before the Dawes Commission for my rights. There were so many there when I went back, that they would not try my rights, but I got the seal and kept it. I proved it before the Dawes Commission, and got the seal of the Cherokee Nation. George Vann, is the man referred to above, who proved up my rights in Indian Territory. He went from here there, with the tribe when they were sent from this country. The Cherokees did not refuse me any rights, and were willing for me to have them alone. The chief told me that if I would come back in the Fall he would citizenize me. I came back and got 330 families here to prove up their claims for citizenship in the Indian Territory before the Dawes Commission, thinking that this large number would make my own claim stronger. This I think the majority of these people claimed through Ned Sizemore, and these same people are now applying for this Cherokee money.
